Qualify for the 2018 Engaged! Premier Program

Enrolled in the Engaged! Premier Program? Employees and spouses must complete their biometric screening and online wellness assessment between June 15 and Sept. 30 to qualify.

Base Plan members and Engaged! Plan members not participating in the Engaged! Premier Program may also participate in the free screenings.

Day of screening

- Bring your health plan card
- Wear sleeves easy to roll up
- Optional: Fast 8–12 hours if you want the LDL/triglycerides screening

*You may attend screenings at any Adventist Health location.
Visit ScreeningReg.com for a schedule.*

Learn more at LivingWell.ah.org

Screenings include total HDL cholesterol, glucose, blood pressure, height/weight, and BMI (Body Mass Index) calculation. Optional screenings for LDL and triglycerides require an 8–12 hour fast.
