The Spiritual Care of Individuals with Severe Mental Illness

Date: Wednesday December 19, 2012

Time: 11:00 am – 4:30 pm

Department of Psychiatry Grand Round:
 this event is coordinated and sponsored
 by the Department of Psychiatry,
 LLU School of Medicine

PROGRAM DESCRIPTION:

This seminar will develop a framework for understanding the spiritual needs of those with severe mental illness, as well as their families.

There will also be discussion of the neuropsychiatry and symptoms of mental illness, along with identification of resources for these individuals. By recognizing the needs of the mentally ill, and the significance of spirituality, we can deliver more compassionate, whole-person care. For clergy, this will help in ministering to the mentally ill more effectively.

PROGRAM OBJECTIVES:

By the end of *The Spiritual Care of Individuals with Severe Mental Illness* seminar, the attendee will be able to:

1. Discuss the spiritual dimension of mental illness
2. Describe the neuropsychiatry of mental illness
3. Identify symptoms associated with mental illness
4. Identify how to advocate and support persons and families coping with mental illness
5. Discuss how to provide whole person care, incorporating spirituality

TARGET AUDIENCE:

Any healthcare, clergy, or community professional interested in learning more about spiritual care of the mentally ill.
