# Sacred Time, Sacred Space

LOMA LINDA  
UNIVERSITY  
HEALTH

Experiencing peace in a chaotic world

photograph by Andrew Smith

## What to expect

So much of life and work involves running from one thing to the next – meetings, schedules, classes, or just getting by. Have you ever wanted, well...MORE? Is it possible that everyday life and work can be elevated to something sacred? This conference explores sacred time and space within healthcare.

## Who should attend

All those interested in exploring sacredness within the healing professions at Loma Linda University Health including practitioners, faculty, employees, staff and students
