

LOMA LINDA COMMUNITY PUBLIC ART PROJECT

If you are a resident of or are employed in the City of Loma Linda, you are invited to participate in the City's Public Art Program. We are seeking digital art or photography that is eye-catching and thought-provoking. Submissions have the possibility to be prominently displayed on Loma Linda University Health signage, installed in Spring 2019. The signs will serve to help alleviate congestion and promote public safety by helping motorists find major destinations throughout the City. The signs will have large panels designated to promote digital art, imagery and photography - **all created by the local community!**

CALL FOR ENTRIES

\$500 SELECTED ENTRIES WILL RECEIVE \$500 and your artwork will be used as part of the Community Public Art Project. (2 entries per person)

OCTOBER 15 TO DECEMBER 6
ENTER TODAY, Entries must be submitted between these dates.
