

Prayer Notes Photo Contest

DEADLINE: FRIDAY,
NOVEMBER 20, 2015

For the past 13 years, Loma Linda University Health has created an annual set of Prayer Notes that are used in patient care. Each card, similar to a postcard, has a beautiful nature photo on one side and an encouraging verse of scripture on the back. There is also a note that says, "I prayed for you today and asked God to bless you."

Employee spiritual care is now accepting photo contest entries for the new set of cards.

Submission Requirements:

- Employees and students may submit up to eight color nature photos that they have taken.
- Images should be inspirational and promote feelings of peace, strength, hope and/or joy.
- Photos must be cropped to fit a 6" x 4" card.
- Photos with bright colors print well and are often chosen by the judges over more muted photos.
- Pictures must be submitted in digital format on a CD and be labeled with the photographer's name, work extension and work location OR they may be submitted via email to kmcmillan@llu.edu with name, work extension and location listed in the email.
- If pictures are sent from an LLUH email, the file must be deleted from the "sent mail" folder after sending it. This will free up space on the servers.
- Each photo must be named with the photographer's last name and a one-word description of the photo. e.g. Jones butterfly.jpg
- If photos are taken in an identifiable place, please list the location. (flowers, animals, and close-ups are excepted).
- Minimum resolution must be 300 dpi at 4"x6" and pictures should be saved in jpg format.
- Some cards will be printed for Loma Linda University Children's Hospital, so we are also looking for photos appealing to children.
- Submit photographs to: Kathy McMillan, Employee Spiritual Care, MC Room 4011 or kmcmillan@llu.edu.

The winner of the first place photograph will receive a \$100 gift card; second place, a \$75 gift card; third place, a \$50 gift card and runners up, a \$25 gift card.

For questions, please email kmcmillan@llu.edu or call x48406.
